

"History, in brief, is an analysis of the past in order that we may understand the present and guide our conduct into the future."
 Sidney E. Mead

"History must be written of, by and for the survivors." Anonymous

"Historian, discover the truth and publish it." Inscription over the grave of Oklahoma historian Angie Debo.

Westonka Historical Society membership is an excellent value for **you**. People have been handing down the gift of stories of the past to us. We have the opportunity to ensure that these stories will be passed along to the next generation. By supporting our quest to **develop a Museum in the area**, we are helping to highlight this history, which includes Tonka Toys, the Andrews Sisters, and Lake Minnetonka. With this mission we will be developing a place for the entire country to visit, research and appreciate our community's history.

We are a **501(c)(3) organization, so it is tax deductible.**
